2018 Open Show

Judge June Gould

My appreciation goes to the BFCGB officers and committee for the opportunity to judge a lovely entry of Bichons and to the stewards Jan & Phil Shephard for their support during the show. Also, to the exhibitors who presented their dogs so proudly I hope they enjoyed their day, irrespective of the results. Temperaments were superb, all were presented beautifully. I was shocked by the decline of pigment on noses, halos and pads.

June Gould

OPEN SHOW 2019

Thank you to the committee for inviting me to judge this lovely show and for your warm welcome. A small entry but full of quality, especially in bitches. The final lineup was lovely to behold.

Puppy Dog (2,0)

1st Mcleods Starforth Summer Knight at Languilla What a great one to start off the day! This one is quality from nose to tail. Lovely fine white, soft textured coat - presented to best advantage. His head is all male, ratio of skull to muzzle excellent and beautifully placed ears all contributing to that typical Bichon look. I would have liked a slightly bigger eye but they were round, dark and surrounded by good halos. Strong bite and black lips. His good front and rear angles and width over the loin ensure the correct compact outline and his well turned stifles ensured reach and drive. A very promising youngster who beat his sister to BPIS and ultimately was Best Dog.

2nd Camie's Alizo Jabberwocky A very handsome but naughty young lad but full of promise if his sporting owners persevere. Its all there..type, shape, coat and temperament. Clean up the face, more ringcraft and he could do very well. Well done.

Post graduate Dog (2,0)

1st Robinsons Louisiana Storming Norman Free moving exhibit with an elegantly held head and neck. Good front and cobby body. Head was attractive with well placed eyes and ears, pigment could be better.

2nd Stanleys Elancie's Blaze of Glory ShCM A slightly rangier shape on this lad but a handsome head with better eyes than first but not as smooth nor compact in shape on the move. Excellent, coat texture and presentation. A willing showman.

Limit dog (1)

1st Alizo Jabberwocky (repeat)

Open Dog (3,2)

1st Alizo Jabberwocky (repeat) By this class he really was showing what he is capable of. He Looked lovely.

Veteran Dog (3,1)

1st Davidsons Marinik Aw Right Dave at 8 years old this dog looks half that. Ultra compact and well angled. His coat is a delight, soft, well fitting and beautifully presented. Head properties abound with good eyes and pigment ..Moved well for BVIS

2nd Killicks Yakee Credit Crunch A stylish 10 yo well presented gentleman with the darkest of pigment and style in spades..A charmer.

Minor puppy Bitch (2,1)

1st Davidsons Marinik My Lucky Number Five Lovely balance on this baby, super attitude to life too. Coat coming and of good texture, sweet head and expression. Shapely and moved with style and drive. Promising.

Puppy Bitch (1)

1st Staffords Starforth Hot Summer Days A very promising youngster who shows many of the ideal traits of the breed.

She is joyous and sweet in temperament and wants to present herself for her handler. Compact and shapely in silhouette she catches the eye. On examination her front and rear angles are excellent, neck and head carriage elegant and proud with the prettiest face with large dark round eyes and dense halos. Her forechest is developing along with good ribbing and strong wide loin yet still a baby but a super little mover. Some lovely days ahead for this one Id say. BPB..only lost out to her handsome brother for Best puppy.

Junior Bitch (1)

1st Hill's Languilla Fire and Ice for Deizi What a little princess..I loved her and nearly gave her BIS and at 13 months only missed out for puppy by a few weeks. She is the picture of balance, length to height is ideal with the loveliest compact body shape, straight front legs, good shoulders and a well held and plumed tail. Her head is so feminine, beautiful round dark eyes with good halos, dense black nose and lips. Moved with panache, foot perfect with a lovely head carriage and showing her little black pads as she went away. Cheeky, eyecatching and still Immature but a close thing RBIS

Post Graduate Bitch (4,0)

1st Loye and Taylors Fribonch Miss Dior Pretty head on this cobby 2 year old. Good eye size and shape and ideal muzzle to head ratio. Broad loin and well sprung ribs. Good angles which ensured she moved with drive.

2nd Richardsons Tiarain Andante Star Longer in muzzle than the winner which affected the expression but good round dark eyes, excellent body shape and ribbing and well carried tail. Beautifully presented.

3rd Stanleys Elancies It Only Took A Moment ShCM

Limit Bitch (4,2)

1st Holmes Marinik Sing My Song An attractive exhibit with a good compact shape, sweet head and nice eyes and correct dense pigment. Well presented. Moved well in profile keeping her topline on the go which won her this class.

2nd Morgans Marinik Made in Heaven for Radliboo A shorter bitch in shape, not the topline of winner, beautifully presented and loved her black pads going away.

Breeders Bitch (2,0)

Two crackers in this class but of different type

1st Andersons Brokengate She's a Rebel A glamorous girl shown in a fuller jacket than most today but of a good size and superb construction, one of the few with a good forechest. Her head is balanced and pretty with the ideal ratios of length to width, eye position to nose and well placed ears. Largish round dark eyes with dense halos set off her expression. I loved this girls spring of rib, short back and wide loin which gave her an eye catching silhouette. Super set on of neck and elegant head carriage held on the move.... straight and true movement showing jet black pads going away and displaying lots of dark skin under her lovely soft white coat. Lovely breed type.. **BIS**

2nd Russell's Rusmar Kissed by a Rose An Ultra feminine, petite yet balanced and typy lady with a beautiful head, nice dark round eyes and halos. Compact in shape held on the move, good spring of rib excellent tail set and carriage. I just preferred the precise movement of the ultimate winner.

2019 YEAR BOOK

Yes it is that time of the year again when we start to think about a yearbook to show off your achievements in 2019.

We will continue with the tried and tested formula again this year so let me have your pictures and words by the end of December to be sure that you are included. The cost will be the same as previous years (*Exhibitors: £35 full page colour and £60 double page. Trade: £25 full page and £15 half page.*) with no limit to the number of pictures you can include but please remember this is an A5 publication and too many pictures will "crowd" the page and will look messy. I would suggest no more than three pictures- a main one and perhaps two minor ones.

More on the yearbook:

The book is predominately designed for exhibitors to show off their achievements over the previous year to other exhibitors and as such is limited in interest. What about the many non exhibiting members out there who just love the Bichon Frisé - what would you like to see?

Please let me know and we will see what we can do.
